

Keeping you in the loop...

13 February 2020

Stranger Danger

Late yesterday afternoon a student from a nearby school was followed as he scooted home after school, around the Boardwalk area. Thankfully the child managed to reach home safely. Please talk to your children about stranger danger including safe homes in the neighborhood that they might go to seek help. The teachers will be chatting with all of our students about staying safe over the coming days.

P&C AGM

We apologise for any confusion, however we have had to change the date of the meeting again. Our AGM will now be held on Wednesday 19 February in the P and C room. The meeting will start at 7:00pm and we would love to see some new faces!

Kiss and Drive

Our Kiss and Drive area is only to be used by parents dropping off and picking up students who can walk independently to and from class. We ask that when using the Kiss and Drive you pull into the first bay. To ensure the Kiss and Drive keeps flowing, please do a lap around the school and return if your child is not waiting at the area. Drivers must not leave their vehicle. The Ranger will give fines to drivers who leave their cars unattended in Kiss and Drive areas.

Parking

We have been informed that parents are double parking in bays and not allowing room for a second vehicle to park in the bay where possible. Please do not double park. Drive your car to the front of the bay to allow room for the second car to park.

Please do not park in the staff area near the administration block. This can cause issues for staff and compromises the safety of our students.

Footpaths

We have footpaths around the school to enable our students and their families to get to their cars safely. Please teach your child to use the footpaths and not to walk through the carparks or garden areas.

Board meeting

Our first Board meeting will be held on Tuesday 18 February in the conference room. The meeting will start at 7:00pm.

Hats

At Southern Grove all students must wear the school bucket hat. There are a number of students without hats at present or wearing different style and coloured hats. Please make sure you get a school hat for your child.

Together we grow!
